(3rd finger 4th string, 2nd finger 5th, 1st finger 3rd)
             Em
                     C
Why are there so many songs about rainbows
                Em
                      C
And what's on the other side?
             Em
Rainbows are visions, but only illusions,
                  Em
And rainbows have nothing to hide.
So we've been told and some choose to believe it
I know they're wrong, wait and see.
                                  Cmai7
Someday we'll find it, the rainbow connection,
The lovers, the dreamers and me.
             Em
Who said that every wish would be heard and answered
When wished on the morning star?
Somebody thought of that, and someone believed it,
                Em
And look what it's done so far.
What's so amazing that keeps us stargazing
And what do we think we might see?
                       Bm
                                  Cmaj7
Someday we'll find it, the rainbow connection,

All of us under its spell,
                          C D
We know that it's probably magic...

               Em
Have you been half asleep? And have you heard voices?
I've heard them calling my name.
Is this the sweet sound that calls the young sailors?
                   Em
The voice might be one and the same
Cmaj7
I've heard it too many times to ignore it
it's something that I'm s'posed to be...
